

Mystery Shoppers Volunteer Role Profile

Suffolk Libraries' aim is to make life better. A visit to a library should, at the minimum, be a positive point of someone's day. The Suffolk Libraries commitment is to deliver the highest standards of customer care to all people who interact with the different parts of the service. Good customer service is at the heart of our organisation.

Mystery shopping is used by brands and businesses across the globe to benchmark how well they're performing for their customers. A Mystery Shopper is a person who poses as a real customer whilst assessing the customer service provided by a company or organisation. It is an easy way to 'health check' an organisation and its teams in a low-key way. A mystery shopping role can be either a face to face visit or even involve making telephone calls.

We are looking for people who enjoy visiting the library and are able to evaluate key areas such as customer service, presentation of the library and service knowledge through various means.

Ideally a commitment of 2 to 3 hours per month, visiting 3 or 4 libraries on a 3-monthly rota, within a 15 - 20 mile radius.
