

Are you interested in playing a part in Suffolk Libraries' vision to enrich everyone's quality of life?

Lego Support Volunteer

Suffolk Libraries is looking to redefine how the public see libraries. We want to develop an experience which expands our traditional audience, but which also engages new audiences. Volunteering is very much at the heart of our organisation and our ambition is to increase volunteer participation by offering a range of interesting opportunities to match with the skills and interests of as many potential volunteers as possible.

Key elements of the role

- Engaging with parents and children to provide a lively, interactive play space
- Working with library staff to plan monthly, themed Lego sessions
- A commitment of 2 hours per month

Through the above activities, you will:

- Encourage creativity through play
- Facilitate the sharing of ideas
- Plan weekly themes
- Display children's work

We are looking for someone who:

- Is enthusiastic about helping children learn through play
- Is friendly, positive and a good team player, who can work with library staff and other volunteers
- Is creative
- Is looking to gain experience working with children and young families
- Is reliable

If you are interested, please contact your local library manager or email volunteer@suffolklibraries.co.uk outlining what you could bring to this position.
